principle that the party is responsible for the political acts for the administration of those whom it elevates to positions of trust. Parties are as necessary to the welfare of the state now and in this country as they have been in the past and in other countries. Individuals have the option of joining either party, or of keeping aloof from all of them, and the INDEPENDENT does not ensure Mr. Kennedy for the course he has pursued in severing his connection with one of the great political parties; in fact, that had it not been for the courage to cut loose from a tyrannical and conscienceless majority in the last territorial legislative assembly is something to his infinite credit. The INDEPENDENT hopes, however, that in the course of time Mr. Kennedy will be able to adopt the principles of the democratic party and labor for its success.

THAT "SUPPRESSED INTERVIEW." As the Butte Inter Mountain has repeatedly stated that the democrats had bought up and suppressed an alleged interview with Col. Broadwater, published in the Chicago Tribune of April 23, 1889, in which the late territorial legislator made the statements attributed to him therein, for the colonel, as well as every other citizen of Montana, in Montana, that that interview was a fabrication, and has been one of the best friends of the workmen in the territory—a fact that they fully appreciate; and no man stands higher in the estimation of his employees than he does. No man has done more for work-people in the west than Marcus Daly. As a result of his pluck and energy he has given, and is still giving, employment to a large number of men, wages many times as high as in the territory. The whole interview bears evidence of being overdrawn, but the Inter Mountain is welcome to make all out of it that it can.

The interview is as follows: The leading politicians of Montana held a round up at the Grand Pacific yesterday. The chief at Chicago was entirely unexpected. Some were just of the dusty trail, while others were returning from the dances and fireworks of New York. They left for the purpose of visiting Washington, but Montana folks always have a Washington trip by a little spin about the metropolis.

Chicago, the wealthy mine and railroad magnate of Helena, is also a big man among the democrats and is looked for to be a factor in the coming election. Louisiana about forty years ago. After the war he wandered northward and reaching New York became body-servant to a wealthy Frenchman who was traveling in this country. He followed him to Paris with his employer and quickly added to his knowledge of the French language and polished metropolitan pronunciation. He has been in Louisiana's service only two years.

CHANGE OF TIME. Through St. Chair Cars to Kansas City. The Minneapolis & St. Louis railway, "Albert Lea Route," ever ready to meet the demands of the traveling public, upon March 17th, 1889, inaugurated a through chair car service between St. Paul, Minneapolis and Kansas City, leaving St. Paul, except Sundays, at 9:10 a. m., Minneapolis at 12:30 a. m.

These cars are models of perfection and in many respects are superior to those run by any road. The interior is finished in select and highly polished woods of mahogany, cherry and oak. The curtains, carpets, etc., in harmony of design and color form an ensemble pleasing to the eye and gratifying to a cultivated taste. No pains of expense have been spared to make them the most comfortable and enjoyable of their class in America.

For maps, rates, time cards, etc., address nearest H. H. agent or write to S. F. BOLD, G. T. & P. A., Minneapolis, C. L. CAMPBELL, Gen. Agt., Helena, San Francisco and Los Angeles Excursion Rates.

On January 15th and the same date each month thereafter, the Union Pacific railway company will sell excursion tickets to San Francisco at the following rates from Helena. Going and returning via Ogden, \$17.50; going via Ogden and returning via Portland and Portland or vice versa, \$20.00. No man has done more for work-people in the west than Marcus Daly. As a result of his pluck and energy he has given, and is still giving, employment to a large number of men, wages many times as high as in the territory.

When You Need An Alternative Medicine, don't forget that everything depends on the kind used. Ask for Ayer's Sarsaparilla and take no other. For over forty years this preparation has had the endorsement of leading physicians and druggists, and it has achieved a success unparalleled in the history of proprietary medicines.

For a rash, from which I had suffered some months, my father, an M. D., recommended Ayer's Sarsaparilla. It effected a cure. I am still taking this medicine, as I find it to be the most powerful blood-purifier. J. E. Cooke, Denton, Texas.

"I have always recommended Ayer's Sarsaparilla as superior to any other preparation for purifying the blood." G. E. Kuykendall, M. D., Pomeroy, W. E.
